

SERVICE SOLUTIONS

STANDARD SERVICE

edwardsvacuum.com/service

Our Standard Service ensures highest level of vacuum performance bringing the pump back to factory specifications. The service conducted by our vacuum experts can cover all applications and is delivered at a fixed price.

Standard Service includes:

- Professional cleaning of the pump
- Inspection of the pump
- Replacement of consumables, wear parts and other worn or damaged core parts
- Safety test and performance evaluation to factory specifications
- Service reports
- 12 month warranty on the pump

Enjoy our easy and convenient fixed price services:

- Fully cover routine service requirements
- Fixed scope, tailored to your pump type
- Faster turn around than a Flex service
- Preventive Maintenance helps to manage your total cost of ownership
- Greater continuity for your production processes
- Transparent, fixed pricing makes essential maintenance easier for you to plan and budget for than ever before!
